MYSTOX TRP

Nato Stock Number : 8030992251573

Textile Auxiliary Product Data

Function Reproofing agent for military tentage. Refurbishes canvas and restores shade, flame retardancy, water resistance and rot resistance.

Composition Waxes, chloroparaffins, metal oxides, rot proofing agents, pigments.

Description Olive drab paste.

Application Tentage to be treated should be brushed clean of surface detritus.

IT IS IMPORTANT THAT THE MYSTOX TRP PRODUCT IS THOROUGHLY MIXED TO A UNIFORM COLOUR AND CONSISTENCY BEFORE USE.

Mystox TRP should be applied by brush or roller, taking care to ensure complete coverage.

Treated tentage should be allowed to dry thoroughly before repacking.

Coverage Depending on the absorbency of the tentage fabric to be reproofed, a 25 kilo pack will treat 125 m² ó 200 m².

Brush Cleaning Brushes and rollers should be cleaned promptly after use, using warm water and detergent.

Handling Avoid skin and eye contact.
For further information see product Safety Data Sheet.
This product will deteriorate if frozen. Appropriate storage conditions should, therefore, be arranged.

Mystox TRP contains RO49362 propiconazole, an active ingredient developed and manufactured by Janssen Pharmaceutica N.V., Beerse, Belgium.

Issue 3 ó October 2003
